**Faculty Development Programme
on
“Recent Trends & Tools in Modern Wireless & Digital
Communication Networks”
27th June to 1st July ,2016**

**Organized by
Department of Electronics and Communication Engineering**

ABOUT THE UNIVERSITY

Sri Chandrasekharendra Saraswathi Viswa Maha Vidyalaya University was formed under the aegis of Sri Kanchi Kamakoti Peetam charitable Trust in 1993. The Vidyalaya has attained a status of Deemed University in 1993. The university is located in a sprawling complex of 50 acres at Enathur, at a distance of 4 kilometers from Kanchipuram.. The University offers multi courses such as Sanskrit, Indian culture, Ayurveda, Management, Humanities and Languages, Basic and Applied Sciences, Engineering and Technology, Agriculture and Animal Sciences, Indian Medicine, Para-medical Sciences, Management Sciences, Educational Sciences, Behavioral & Cognitive Sciences. The University focuses on integrating traditional knowledge with modern, scientific practices with a global outlook. Right from its inception, the university has progressed with a vision centered on the empowerment of the students through academic and professional development and a strong commitment in developing competent career oriented programs, enhancing the Library and laboratory facilities and providing excellent training to the Staff & students.

ABOUT THE DEPARTMENT

The Department of Electronics & Communication Engineering was established in the year 1999 and the first batch of ECE graduates rolled out in 2003. Now, the department offers BE (ECE) Regular & Part time, ME (ECE) Part time, PhD Regular& Part time. The Department also offers M.Tech (Electronic Design & Technology) in collaboration with National Institute of Electronics & Information Technology (NIELIT), Chennai and Centre for Development of Advanced Computing (CDAC), Hyderabad. The Electronics & Communication Engineering Department is a dynamic and vibrant department with about 27 highly qualified, experienced and dedicated faculty members. The department has a modern computer lab with supportive technical softwares matlab, HDL, PSPICE, Multisim, Lab view, Vsim, where the principles of computer aided design are imparted. The department has made sustained and continuous effort to bring some innovation in teaching- learning methodology.

AIM OF THE FACULTY DEVELOPMENT PROGRAMME

The aim of the FDP is to introduce young teachers and researchers to the world of research and also to introduce new research techniques to experienced faculty members. Topics to be covered are trends in Wireless Digital Communications, Impact of nonlinearities in fiber-optic communication systems, WiMax Design, Ultra Wideband Systems, Long term Evolution, Software Defined Radio, Networking concepts, Channel coding schemes for the improvement of noise performance, Simulation using Vsim, Multisim, Matlab.

Resource Persons : **Eminent Professors from Leading Colleges & Universities.**

Eligibility : Faculty of ECE, E&I, ICE, CSE & IT.

Registration Fee : Rs.1000/- per participant.

Payment Details

For Account transfer

Name of the Account : APOGEE'08/AECE/EMA

Account number : 510334488

Bank name : INDIAN BANK

Branch : SCSVMV UNIVERSITY

IFSC code no : IDIB000S145

Convener : Dr.J.Vaideeswaran, Professor& Head, ECE

Send the duly fulfilled form along with the proof of payment to

(in Hard Copy or Soft Copy)

Coordinators

Shri. M.Vinoth & Shri.T.Dineshkumar

Assistant Professor, Department of ECE,

SCSVMV University, Kanchipuram, TamilNadu-631561.

Cont. no:+918754581922,+919677464705

dinesh_6003@yahoo.com , www.kanchiuniv.ac.in

Last date for Registration: 15.06.2016

No. of participants is limited to 50 on first come first basis.

Participants will be provided with registration kit & working lunch.

* NO TA/DA shall be provided , Accommodation on Payment basis

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

FDP on "Recent Trends & Tools in Modern Wireless & Digital Communication Networks"

Kanchipuram, 03rd May 2016

Chairman
Prof. Dr. G.Sriram
Dean(E&T)

To,
The Principal/HOD

Organizing Committee

Dear Sir/Madam

Convener
Dr.J.Vaideeswaran
Professor & Head, ECE

Sub: FDP on "Recent Trends & Tools in Modern Wireless & Digital Communication Networks" from 27.06.2016 to 01.07.2016-Reg.

Co-ordinators
Mr. M.Vinoth
Mr. T.Dineshkumar

We are pleased to inform about the Faculty Development Programme on "**Recent Trends & Tools in Modern Wireless & Digital Communication Networks**" to be conducted in ECE department from 27.06.2016 to 01.07.2016.

Members

Mr. R.Viswanth

Mr. A.Niranjan

The aim of the FDP is to introduce young teachers and researchers to the world of research and also to introduce new research techniques to experienced faculty members. In this day and age, the art of drawing coherent conclusions, supported by appropriate research tools is vital for quality research work. This FDP has talks by Experts from Leading Colleges & Universities.

I request you to kindly display the enclosed brochure in your notice board and I also request you to encourage your faculty members to participate in the programme.

For details kindly Visit: www.kanchiuniv.ac.in

Best Regards

Dr.J.Vaideeswaran
Convener
